MRS. GERTRUDE GIBSON PATTERSON.

DENVER, Oct. 23.—O. N. Hilton, who two years ago obtained for her an acquittal after she had shot and killed her husband, has at last dis-

closed the whereabouts of Mrs. Gertrude Gibson Patterson, who disappeared immediately after the trial. She is now in Paris.

## STEEL WORKERS WILL NOT BE LAYED OFF

CHICAGO, Oct. 24.—The steel business has suffered a slight recession and the slackness may be expected to continue for sometime. Normal business, however, may be expected by spring. This was indicated in the discussions at the regular monthly meeting Thursday at Gary, Ind., of the presidents of the subsidiary companies of the United States Steel corporation.

The steel chiefs gathered to attend the meeting of the American Iron & Steel Institute Friday. E. H. Gary, chairman of the board of the steel corporation, gave the account of the proceedings at the presidents' meeting.

Mr. Gary was emphatic that no reduction of the present output of steel is contemplated by the corporation and he asserted positively that no wholesale lay-off of steel workers is being considered.

"The subject of laying off men was not considered at the presidents' meeting," said Mr. Gary. "The practice has been that in case of a decrease of business we would lay off enough men to close one or more mills at the plant affected, which would give us a chance to make repairs and put in improvements at the mills so closed which were impossible while the mill was in operation. The mills closed in such dull times, however, really are only emergency mills, intended to be run in rush times."
